FLOCARLINE'S STAKE.

The ideal racing weather that prevailed at Chicago Ridge yesterday drew out by far the largest attendance of the week at Worth and the many patrons of this popular track were rewarded for their visit by witnessing a splendid day's sport.

The feature event of the day was the Chicago Ridge Handicap, a dash of one mile for two-year-olds with \$1,500 added. Secretary Jasper's work of adjusting the weights was clever, three of the field of five finishing closely together. The Cook entry, consisting of Linguist and St. Minor, was made a 13-10 favorite, but third was the best it could do, Floccarline, winning by a nose on the post from Gold Bell, which beat Linguist a half length for second place. To a splendid start St. Minor, displaying much speed, shot to the front and, opening up a big gap, held command for the first six furlongs where he tired and fell away beaten, Gold Bell assuming command. In the last eighth the last named appeared the winner, but in the final sixteenth Coburn brought up Floccarline, which wore down Gold Bell in the closing strides, getting up in time to win on the post. Gold Bell tired just a shade at the end. Linguist swung a little wide when turning for home, but when once straightened closed up ground fast and finished stoutly. Gregor K. was right there up to the last eighth post, but gave up the struggle in the sharp action of the last sixteenth. St. Minor was thoroughly spent when turning for home. The stake was worth \$1,820 to the winner.

Golden Rule is certainly a sprinter of high class judging from his impressive victory in the fifth race, a dash of five furlongs for all ages. He negotiated the distance in 59 1/2 seconds, which is one-fifth of a second faster than the previous track mark. King Pepper, displaying a great turn of speed, led by a comfortable margin up to the last eighth, where Buchanan brought up Golden Rule strongly and he had little difficulty in passing into the lead winning easily by one length. King Pepper beating Federal three and a half lengths for second place. King Pepper tired fast when the pinch came and pulled up slightly lame. Federal, badly outrun for the first half mile, made up ground fast in the last quarter and finished resolutely. Ahola was never in hailing distance.

The third race, a dash of one and an eighth miles and a free handicap for all ages, went to Bessie McCarthy, heavily backed by E. J. Arnold, who is said to have cleared up \$20,000 on the mare's victory. Scarlet Lily was made a strong favorite, but failed to run better than third. She led by a slight margin up to the run for home, where The Lady easily passed into the lead and appeared to be an easy winner in the last eighth, but Bessie McCarthy moved up fast along here and wore her down in the closing strides, winning going away by one and half lengths. The Lady beating Scarlet Lily one length for second place. The Lady tired fast when the pinch came and simply could not concede the weight. Scarlet Lily was done for when entering the last quarter. The others were never in the hunt.

The day's opening race, a five and one-half furlongs scramble for two-year-olds, proved an easy thing for Au Revoir, the 1 to 4 favorite. As Fort Wayne was scratched there was nothing to carry him along and he simply played with the field. He led from start to finish, winning eased up by three lengths from Angelo, which beat Sarah Maxim a neck for second place. Angelo moved up fast when turning for home and steadily wore down Sarah Maxim in the closing strides for second place. The latter, as usual, showed much speed, but tired slightly at the end. Dodona ran well for four furlongs, but was well spent when entering the last eighth. She appears to run to her best form on a fast track only. Leash was all entangled at the start and had no chance by the time she got into her stride.

The Bennett stable repeated its victory in the first race when Herodiade passed over the winning line first in the second race, a dash of six furlongs for three-year-olds. Off in front Herodiade opened up a big gap on the field and held the lead throughout, winning as his rider pleased by one length from Count 'Em Out, which beat Pronta two and a half lengths for second place. Count 'Em Out was much the best of the others. Pronta made up much ground in the last quarter and finished resolutely, just getting up in time to nip Jaubert on the post for third place. Balm of Gilead finished running fast. The others were never serious contenders.

The last race of the day, a dash of one mile and seventy yards for three-year-olds and upward, went to the consistent Huzzah, which beat Scotch Plaid a half length, the latter finishing the same distance in front of Marcos for second place. Marcos was badly pocketed in the last sixteenth and had to be pulled to the right to get a clear path after which he finished strongly. Gawaine ran in improved form.

The betting was brisk and by far the heaviest of the week.

SARATOGA STAKES.

Entries to a renewal of the greatest stakes offered by the Saratoga Association will close Monday, November 10, the events to close being:

The Great Republic, guaranteed value, \$50,000. To be run in 1903; 1-1-4 miles.

The Hopeful, for two-year-olds in 1903, mares subscription, \$5,000 added; estimated value, \$40,000; 3-4 mile.

The Spinaway, for fillies, two years old in 1904, guaranteed value, \$15,000, foals of 1902; 5 1-2 furlongs.

LOCAL TURF GOSSIP.

The finish in the Chicago Ridge handicap was one of the closest witnessed during the current meeting and reflects great credit on Secretary Jasper's ability as a weight adjuster.

There will be an auction sale in the paddock at Worth before the racing begins on Saturday when the following horses, the property of various owners, will be offered: King Barleycorn, Limelight, Silurian, Merops, The Don, Knightbanneret, Leo Newell and Filly Deck.

King Pepper was heavily backed by his stable and its followers, they figuring that if King Pepper was good enough to defeat Golden Rule in the mud which is decidedly unfavorable going to the Kantaka horse, he should prove an easy victor on a dry track. King Pepper set a very fast pace for the first four and one-half furlongs and was going steadily when he suddenly faltered and seemingly tried to stop. The reason was apparent when the horse returned to the stand as he was quite lame, evidently having met with the mishap before trying to quit.

Jockey Coburn was again in evidence yesterday and easily carried off the riding honors as out of four mounts he landed three winners and one third. Two of the winners, Au Revoir and Herodiade, came from the stable of his contract employer, G. C. Bennett.

The Worth record for five furlongs was yesterday lowered in the fifth race by Golden Rule and the new mark set at 59 1/2. This is within two-fifths of a second of the American record for a circular course made by George F. Smith, as a four-year-old, carrying 100 pounds, on the Bay District track, San Francisco, March 7, 1895.

E. J. Arnold & Co. are reported as having won a large sum by the victory of their entry, Bessie McCarthy, in the third race.

Jockey Coburn will leave here for San Francisco Saturday evening to ride free lance there during the coming winter. Yesterday he signed a contract to ride for George C. Bennett from March 15 to

Winner—B. c, by Indio—Flora Hurst (trained by T. Welch). Went to post at 2:15. At post 2 minutes. Start bad. Won easily; second the same. Hurstbourne outclassed his field, went after the pacemaker, which set a very fast pace, and was under pressure to get up, which he did a furlong out, coming away with ease. Colonnade beat the gate and made most of his advantage, but was tiring rapidly in the last furlong and swerving out. He is a very fast colt. Stamping Ground, a way badly and forced to race around the field on the turns, closed up with a rush at the end. Ance ran fast and gamely and is a good filly over a distance. Gold Money ran a dull race and is not in good form. Chicla and Colonsay were both going well in the stretch.

Scratched—(35927) St. Daniel, 113; (35983) Nevermore, 111; (35982) W. R. Condon, 109; 35981 Knight of Gold, 102; 35927 First Chord, 102; 35930 Earl of Warwick, 98; 35507 Hackensack, 95; 35203 Baikal, 95; 35836 First Chip, 93.

Winner—B. g, by St. Andrew—Allanah (trained by F. M. Kelly).

Went to post at 2:35. At post 3 minutes. Start good. Won driving; second easily. Allan waited on Andy Williams to the last quarter, where he ranged alongside the overconfident Lyne and finally beat him out in the last stride and ran a game race. Andy Williams made a slow pace hard held and seemed a sure winner almost throughout, but was caught napping at the end. Rossignol showed some speed, but fell away on the far turn and was beaten off.

Scratched—35984 Dr. Riddle, 128; 35980 St. Finnan, 123; 35889 Jim Clark, 123; (35907) Hunter Raine, 118; 35904 Hurstbourne, 91.

Winner—Ch. c, by Ornament—Erma Primrose (trained by R. Miller). Went to post at 3:10. At post 4 minutes. Start bad. Won driving; second the same. Cincinnati secured a lucky start, led throughout and gamely stood off Scoffer's strong challenge at the end. The latter would probably have won but for swerving and halting under pressure and O'Connor was forced to hold him together in the last furlong to keep him straight. Dark Planet came strongly at the end. Squid failed to stay. Dinksie, away badly, closed a big gap. Farcraft can do better.

Winner—B. c, by Wawekus—Feronica (trained by A. Turney). Went to post at 3:40. At post 1 minute. Start good. Won driving; second easily. Glen Water, easily best, was lucky and had clear sailing and finished strongly on his own courage. Flying Jib, which broke slowly and had a rough trip, ran a very game race and all but got up under Redfern's superb finish. Hermencia ran well, but failed to stay in the hard, final furlong drive. Circus, a good colt, requires a vigorous and skillful jockey to get the best results, and really had no chance with T Meade, who could not hold him together. He was badly messed about at the end. Carbuncle quit right at the end. Par Excellence and Daly tired badly after forcing the pace. Throw out Ethics' race. Scratched—(35907) Hunter Raine, 119; 35982 Potente, 113; 35927 Prediction, 90.

Overweights—Par Excellence, 1 pound.

Glen Water, show, 7 to 10. Flying Jib, show, 7 to 10. Hermencia, show, 1 to 2.

The American Sporting Manual of 1902 contain all racing records at large, revised and complete up to the end of 1901; four handicapping systems with directions for their practical application, a table showing how to compute bookmaking percentages, track records of all the recognized tracks of the country, the western and eastern scales of weights, tables showing the comparative speed of tracks, a complete list of pugilistic contests of 1901 of any consequence, trotting and pacing records at all distances and a list of the new 2:15 trotters of 1901. Also a complete record of performances at all styles of billiards.

RACING AT MANILLA.

They had a race meeting at Manilla in September. It probable would not be considered much of a race meeting here, but in our far-away possessions it did very well. The following report sent to the Spirit of the Times serves to show the style of the sport, and suggest that some cast-off thoroughbreds from this side will probably turn up at Manilla eventually and introduce a higher order of speed:

"The program at the Pasay track, September 7, 1902, of the Manilla Racing and Athletic Association meeting, was pulled off without a hitch and proved to be one of the most satisfactory day's racing offered the public in some time. The starts were good without an exception and not one of the usual kicks was to be heard that has marred the sport in the past at this track.

"The mullarks had their inning as the track was very heavy and muddy, but the fields were very evenly classed and the results show that the handicapper needs no schooling in his art. Espera finally succeeded in winning his maiden race in fair time after half a dozen false breaks; Whitman a bad second. Espera getting off in front was never headed and passed under the wire under a strong pull. Maranca, a new horse, was third. The second event was like money from home for Achilles, which made the other entries look like a lot of farm horses. Although pocketed at the start he quickly got clear of the bunch and simply ran away from them, passing under the wire five lengths to the good Ames, on Viscaya, tried to catch the runaway, but the best he could do was to beat out Carbaugh for the place. After the race Mr. F. W. Prising, the

owner of Achilles, was seen reading the riot act to his jockey for his careless way of riding, and no doubt the next time he has a mount he will mend his ways.

"The China pony race had any number of 'good things' that could not lose, Sy Sua being touted all over and played to a standstill, but at the finish was unable to deliver the goods, being beaten a length by The Egg, which came through the stretch like a whirlwind. Sy Sua under a hard drive managed to nose out Umpire for the place. Had the distance been a quarter more Umpire would have certainly won, as he finished very strong, while The Egg and Sy Sua were all out.

"Five horses faced the starter in the foreign race. Mabel T. was scratched and a new one by the name of Whistling Rufus was substituted. At the first break Blue Dick bolted and threw his jockey, giving him a severe shaking up. The horse was sent to the post with another jockey, and this time they all broke together with Whistling Rufus a head to the good. Ames, his jockey, kept him in front of the bunch, hard pressed by Robinson on Cliquot, the favorite. On Cliquot's past performances she looked all over a winner, but Whistling Rufus showed his heels to her at the finish with Wait a Bit third.

"The nine entries in the fifth race all started. Billy Boy, Ecstasy and Minuto, even choices, which at the finish were beaten by Syd, which has always run well in heavy going; Minuto getting the place from Billy Boy in the last stride with Ecstasy fourth a head away.

"The sixth race, the feature of the day, had seven starters, five of which had waiting orders, and made their run in the stretch, and as usual, resulted in all of them being beaten, as Kabkad clung to the rail at the start and was never headed, winning by four lengths; Nip second and Gloria third, the rest close up.

"The seventh race had among the entries and starters The Egg, winner of the third, and he was not figured by the wise ones as having a chance or even starting, but when the board went up he was not scratched, consequently one had his 'doping' to do all over. Lengthy seemed to have the race well in hand until within fifty yards of the wire, when The Egg shot out of the bunch and showed he was a very good egg still, beating Lengthy by half a length, which beat Longstreet two lengths for second place. A few of the club house contingent played Longstreet as if it was all over but the shouting, but they have another guess coming.

"The attendance was good, 1,200 people taking chances on getting drenched as they did on Saturday, as the weather looked anything but favorable for a good day's sport. Summaries:

"First Race, half a mile, maiden ponies—Espera won, Whitman second, Maranca third. Nino, Chinli and Roulette also ran; time, 1:09. Dividends, \$16.20 and \$13.

"Second Race, four and one-half furlongs for native ponies—Achilles won, Viscaya second, Carbaugh third, Magaidan, Primavera, Boadbil and Agusan also ran; time, 1:17. Dividends, \$19.20 and \$12.20.

"Third Race, three-quarter mile handicap for China ponies—The Egg won, Sy Sua second, Umpire third. Wing Wing and Noble also ran; time, 1:42. Dividends \$27.80 and \$10.60.

"Fourth Race, special, four and a half furlongs for foreign horses—Whistling Rufus won, Cliquot second, Wait a Bit third. Tattleale and Blue Dick also ran; time, 1:04. Dividends, \$11.20 and \$7.60.

"Fifth Race, five-eighths mile, handicap for native ponies—Syd won, Minuto second, Billy Boy third. Ecstasy, Lengthy, Mister. Mandy, Lintie and Vernadito also ran; time, 1:26. Dividends, \$35.60 and \$7.60.

"Sixth Race, one mile and a quarter for native ponies—Kabkad won, Nip second, Gloria third. Bornis, Tuck, Tecumseh and Alplaya also ran; time, 2:57. Dividends, \$27.60 and \$12.

"Seventh Race, selling, four and a half furlongs—The Egg won, Lengthy second, Longstreet third. Tip Top, Jaon, La Buyo, Buchi and Zafiro also ran; time, 1:18. Dividends, \$26 and \$11."

15 TO 1 SHOT--A SURE WINNER.

Saturday getaway day good thing 15 to 40 to 1. The best long shot of the year.

Our three horse wire has proven an enormous success. It has made a great hit, because—

- 1st. It gives only three good things daily.
- 2nd. You are not trying to beat the card—you play your horses, pocket your winnings and quit for the day.
- 3rd. It requires less capital and there is no chance of getting a string of losers.
- 4th. Cashing on two and sometimes three races a day is an easy matter on this plan. Think this over. It will appeal to your good judgment.

Thursday's Winners: Herodiade, Flocarline.

GOSSIP OF THE TURF.

During the racing season now drawing to a close a man once the biggest plunger on the American turf, who lost everything in speculation in the betting ring within the last ten years, has managed to get on his financial feet again chiefly through the performances of one horse running in his interests. Though nobody can name the exact amount, it is generally believed that Michael F. Dwyer has won close to \$100,000 through the victories of his four-year-old colt Ethics. It was on the opening day at Aqueduct last April that Ethics won the Carter Handicap at odds of 20 to 1. Mike Dwyer and his son Charlie cleaned up a good round sum, and when the colt won again at Aqueduct on April 29 they added to their funds in a liberal manner, says an exchange.

Then came three victories at Gravesend, all netting a big profit in the ring for the Dwyers, father and son, after which the winning of the Thistle Stakes by Ethics at Sheephead Bay on June 23 was a further chance to increase the bank roll. On July 8, at Brighton Beach Ethics captured the Jamaica Stakes and was heavily backed. He was also successful a week later, and while coupled with Francesco, he was victorious on July 28. Then on August 1 the colt finished in front once more, Mike Dwyer getting on about \$10,000 at 2 to 1. Francesco and Ethics were coupled in the Saratoga Handicap, which the former won, the odds being as much as 4 to 1. It was on September 17 at Sheephead Bay that Dwyer bet \$10,000 on Ethics and saw the colt beaten by a nose by Merito because of a stupid ride by Cochran. But the former plunger made up the loss when Ethics won at Gravesend on October 4, backed to the extent of nearly \$10,000 at 9 to 5.

Foreign engagements hold no allurements for Jockey Willie Shaw. He has just turned down a very flattering offer to ride in Russia next year, and has signed with his old employer, George E. Smith, for another season.

Shaw did not know just whom the offer was from, but the terms named were liberal and would have been very tempting to any boy who cared to join Cash Sloane, Joe Piggott and Mitchell in the Czar's country. Shaw preferred to stay here, and as Mr. Smith, the man who is responsible for Shaw's development, wanted his services, the matter was soon settled.

Shaw's contract with James R. Keene expires with the close of the season and will not be renewed. He will go to California after the close of the Aqueduct meeting and will ride for Green B. Morris during the season there. This will be Shaw's first trip to the coast. He will be in good hands, as Morris' stable promises to be one of the best there, and Shaw should come very near repeating O'Connor's record of last winter, when he was at the head of the list of riders.

So far there has been no rider engaged for Mr. Keene's American stable next season, unless he elects to take advantage of the clause in his contract with Lucien Lyne, which gives him the right to claim the boy's services for either his American or English stable. The prospects of the two strings early next season will no doubt influence Mr. Keene in his decision.

The fact that Shaw will ride for Mr. Smith again next season, may be taken as an indication that the latter's racing stable will be enlarged before the flag fly at Morris Park next May.—Daily America.

A recent issue of the Buffalo Times says: "Just now all eyes are on Kenilworth, and the public is asking what is to become of the handsome track just north of the city limits. It is not likely that so valuable a racing plant will be allowed to lie idle, yet the gates may remain closed. Certainly the Buffalo Racing Association will not be given dates by the Jockey Club until it pays the horsemen their purses, the jockeys their fees and officials their salaries. This comes from headquarters and there is no doubt about it.

"The officers of the Buffalo Racing Association are still confident that they will be able to straighten out its affairs and settle all claims in time to secure dates and give a meeting next summer, though not on as elaborate a plan as was at first anticipated. The public is watching anxiously and trusts that the hopes of the Buffalo Racing Association may be realized. On the latter's action depends the future of racing in Buffalo.

"Verily the management of the Buffalo enterprise was of the worst possible kind, the program was absurdly liberal for a new club, and the conditions of the races announced, very badly drawn. A much more attractive program could have been arranged for little more than half the amount announced. There was some horrible bungling somewhere."

Statistics compiled from the Bulletin Official, or French Racing Calendar, place M. de Saint Alary at the top of the list of winning owners with something over £31,200 to his credit. He is followed by M. de Bremond with £19,000; M. Caillault next, with £17,410; then M. Camille Blanc, the owner of Retz, £15,083; Viscount d'Harcourt, £12,300; M. Edmond Blanc, £9,630; M. W. K. Vanderbilt, £3,930, and the winners of over £3,000 are closed by Baron de Schickler, who claims £3,640.

Up to October 6 winning English sires whose get had won over £5,000 were Persimmon, eight, winners of £26,810; St. Simon, seventeen, winners of £2,317; Isinglass, eleven, winners of £22,646; Carbine, fourteen, winners of £18,790; Ayrshire, eighteen, winners of £12,423; St. Florian, ten, winners of £10,100; Gallinule, thirteen, winners of £6,932; Royal Hampton, nine, winners of £3,932; Common, eight, winners of £3,242; Childwick, thirteen, winners of £2,950; Saintoin, one, winner of £2,827; St. Frusquin, nine, winners of £2,723; Kendal, twelve, winners of £2,215; Blairfinde, six, winners of £2,169.

 Winner--Ch. c. by Wadsworth--Modjeska (trained by J. B. Respass).
 Went to post at 4:30. At post 2 minutes. Start fair. Won easily; second the same. Bernays was seriously interfered with on the first turn and was pocketed to the far turn, but with clear sailing moved up with rare speed and finally won Jack O' Lantern down at the end and won going away fast. Jack O' Lantern, away in his stride, led under a pull for the first mile, when he commenced to tire badly and was evidently not keyed up for so long a journey and can do better. Rightaway showed improved speed and held on well. Hackensack, outran in the first half, closed a big gap and is a stayer, but prefers mud. Alsike went moderately well. Barouche was out down on the first turn and fell out of it.
